

THE prime focus of Vibrant Goa Global Expo and Summit 2019 (VG GES 2019) is inclusive development in key areas such as innovation, sustainability, industries, technology, youth and skill development, knowledge sharing and networking.

VG GES 2019 will be one of a kind display expo; something that has never been witnessed by the people of Goa and its industry. This display shall be sharing all the developments, newer projects and vision of growth.

The knowledge summit at VG GES 2019 will be organized concurrently with the Expo with an aim to bridge the gap between Goan industries and other national as well as international players. Moreover, internationally acknowledged and successful 'Goans' hailing from over 40 different countries shall be making a memorable visit to their native soil. VG GES 2019 will be organized from 17 to 19 October 2019.

Key Sectors of focus:

| Agro and Food Processing | Building Materials, construction and Real Estate |
|------------------------------------|--|
| Emerging Technologies | IT (Information Technology) |
